Dear Ms. Miers:

Texans United for Life Political Action Committee represents more than 30,000 pro-lifers in the Metroplex.

TUL PAC first surveys candidates, then conducts interviews in an impartial way to determine which candidates truly possess the pro-life philosophy. Other factors, such as voting records, where applicable, and electibility, are taken into consideration before an endorsement is made.

Thank you for taking the time to meet with members of our PAC on Thursday afternoon, April 13th. **Please bring several copies of the enclosed candidate survey with you.** We must have your completed survey in hand in order to conduct the interview.

Sincerely,

William E. Price
President
